

# PROGRAMME

Interdisciplinary issues of ecological transition:  
contributing to decision-making in an anthropocene context

BORDEAUX  
**Summer**  
Schools

Monday, June 15th	Tuesday, June 16th	Wednesday, June 17th	Thursday, June 18th	Friday, June 19th
	<p>09.00 – 12.00</p> <p>Theoretical framework 2 Comparing classical versus anthropocene models of decision-making <i>Caitriona CARTER</i></p>	<p>9.30 – 12.00</p> <p>ENLIGHT Speaker Science and Art in the Public Space – Enabling Interdisciplinary Dialogues <i>Daniel MOSSBERG</i></p>	<p>09.00 – 12.00</p> <p>Case study 2 and role playing exercise « Decision-making governing coastal communities facing sea-level rise, coastal erosion and flooding » <i>Caitriona CARTER</i></p>	<p>09.00 – 12.00</p> <p>Presentation of the results of the collective survey student assessment Skills assessment Session evaluation and improvements <i>Caitriona CARTER &amp; Éric MACÉ</i></p>
<p>12.30 - 13.30</p> <p>Welcome coffee</p>	<p>12.00 – 13.30</p> <p>Buffet</p>	<p>12.00 – 13.30</p> <p>Lunch (CROUS)</p>	<p>12.00 – 13.30</p> <p>Buffet</p>	<p>12.00 – 13.30</p> <p>Buffet</p>

Interdisciplinary issues of ecological transition:  
 contributing to decision-making in an anthropocene context

13.30 – 16.00 Theoretical framework 1 Understanding the anthropocene context Éric MACÉ	13.30 – 16.00 Case study 1 and role playing exercise "Water quality dilemmas in rural areas » Joan CORTINAS	13.30 – 16.30 Collective survey What impact do living labs have on decision-making at the University of Bordeaux / INRAE and its partners? Alexandre FRUCHET	13.30 – 16.00 ENLIGHT Speaker Interdisciplinarity in transitions research Inanna HAMATI-ATAYA
16.00 - 17.00 Collective activity: interdisciplinary challenges of transitions / interdisciplinary methods Caitriona CARTER & Éric MACÉ	16.00 – 19.00 Free time	16.30 - 17.30 Collective survey: preparation of the survey report Caitriona CARTER & Éric MACÉ	16.00 - 17.00 Collective survey: preparation of the survey report Caitriona CARTER & Éric MACÉ
17.00 – 19.00 Free time		17.30 – 19.00 Free time	17.00 – 19.00 Free time
19.00 – 21.30 Welcome event		19.00 – 21.30 Self-guided tour of Darwin (eco-responsible urban site)	19.00 – 21.30 Closing event -Restaurant Darwin
